

## Partnering With SECPay

SECPay has become one of the UK's leading independent providers of e-commerce and MOTO payment solutions.

SECPay has relationships with all the major UK banking institutions and providers of e-commerce solutions, and is looking to partner with more.

If your company is an e-commerce industry leader or has aspirations to become one in the area of e-commerce design solutions, integration and associated software solutions then SECPay could be the ideal partner.

Working with key partners, SECPay aims to provide customers, who want to trade online, with a catalogue of payment solutions , platforms and security functions that can be integrated quickly and with a high level of control.

Your customers will experience:

- 

If your company feels that it could benefit from associating itself with SECPay and would like to work with us more closely then please review our partner schemes:
